Week A

Intentions this week

As well as your own private intentions, our community intention for prayer at the beginning of lessons is for...

God's creation and the world around us...

That we may fulfil God's desire and be stewards of the earth

Prayer

All-powerful God, you are present in the whole universe and in the smallest of your creatures.

You embrace with your tenderness all that exists.

*Pour out upon us the power of your love,
that we may protect life and beauty.*

*Fill us with peace, that we may live
as brothers and sisters, harming no one.*

*O God of the poor,
help us to rescue the abandoned and forgotten of this earth, so precious in your eyes.*

*Bring healing to our lives,
that we may protect the world and not prey on it,
that we may sow beauty, not pollution and destruction.*

Amen
