Outcomes continue to be above all local and national performance measures and St Michael's is the only school in England to receive three SSAT awards for exceptional outcomes in 2023, winning for attainment, progress and closing the gap.

St Michael's is an outward looking school with an excellent reputation in the local area. As well as being a strategic partner in the Catholic Schools' Partnership and Southwark Schools Learning Partnership, St Michael's is a founding school in the St Benedict Catholic Academy Trust which opened on 1st April 2024. Founding school Headteachers and Governors have worked with Trustees and the Diocese to establish a Trust with a vision and mission to be a beacon of Catholic education, where schools retain their unique identity whilst also being part of a wider community and support network.

Alongside these opportunities to work with professionals from a range of other establishments, the college was awarded transforming status by SSAT reflecting the outstanding professional development and wellbeing support we offer to staff. The college's excellent location by Tower Bridge facilitates a large number of business partnerships and enrichment opportunities.
