## **A level and CTEC Press Release 2024 15<sup>th</sup> August 2024**

St Michael's Catholic College is delighted with the success of the year 13 A level and CTEC students, the vast majority of whom will be taking up places in their first choice of university or apprenticeship. The college's track record of academic excellence continues with students surpassing last year's results and achieving 85% A\*-C and 59% A\*-B grades, the average grade for students taking CTEC courses was Distinction.

Achievements include students taking up places to study Economics and International Relations at St Andrews, Veterinary Science at the Royal Veterinary College, Politics at King's, Law at Warwick, Medical Innovation and Enterprise at UCL, Accounting and Finance at Southampton, Marine Biology at Warwick, along with students who have secured apprenticeships in top Media, Digital Technology and Engineering companies.

St Michael's Principal Felicity Corcoran said 'We are proud of all our students who have worked so hard, demonstrated such positive attitudes to learning and played an active part in the St Michael's community. We thank our dedicated staff as well as the Year 13 parents and carers who have supported the students throughout their sixth form studies. A number of our students have achieved highly in the face of significant personal challenges and their resilience and perseverance is truly inspirational. These results will motivate the next generation of St Michael's students to aim high and to follow in the footsteps of the Class of 2024, we wish them the very best for the future.'
