PART TIME TEACHER OF GIRLS' & MIXED PE

(3 days a week MPS + UPS if applicable)

St Michael's Catholic College is an outstanding school which offers exceptional opportunities for a talented, committed and enthusiastic teacher of girls' and mixed PE to join this energetic and enthusiastic department. We are looking for a creative professional who is keen to contribute and develop innovative ideas for teaching and learning and be committed to the College's extra-curricular timetable. Physical Education and extracurricular Sport are high profile at the College and are an integral part of the curriculum offer, as a result we have very high levels of engagement from students in both PE lessons and extracurricular clubs. The college has recently appointed a Sports Development Officer to support the PE department to fulfil its vision to promote sporting excellence and lifelong opportunities for all.

The successful candidate will be a motivated individual with a keen interest in encouraging and inspiring students and who can enable them to flourish. The person appointed will have the opportunity to teach across the age and ability range up to and including Key Stage 5. This position would suit either an experienced teacher or an exceptional ECT.

St Michael's Catholic College has been judged outstanding by Ofsted on two consecutive occasions and also in our most recent Diocesan Inspection in March 2023. Outcomes continue to be above all local and national performance measures and St Michael's is the only school in England to receive three SSAT awards for exceptional outcomes in 2023, winning for attainment, progress and closing the gap.

St Michael's is an outward looking school with an excellent reputation in the local area. As well as being a strategic partner in the Catholic Schools' Partnership and Southwark Schools Learning Partnership, St Michael's is a founding school in the St Benedict Catholic Academy Trust which opened on 1st April 2024. Founding school Headteachers and Governors have worked with Trustees and the Diocese to establish a Trust with a vision and mission to be a beacon of Catholic education, where schools retain their unique identity whilst also being part of a wider community and support network.

Alongside these opportunities to work with professionals from a range of other establishments, the college was awarded transforming status by SSAT reflecting the outstanding professional development and wellbeing support we offer to staff. The college's excellent location by Tower Bridge facilitates a large number of business partnerships and enrichment opportunities.

St Michael's College is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. This post is subject to a Disclosure and Barring Service (DBS) check.
