Week B

Prayerful intentions this week...

As well as your own private intentions, our community intention for prayer at the beginning of lessons is for...

Those who are persecuted around the world...

The Feast day of St Oscar Romero takes place on Monday 24th March – Oscar Romero is the patron Saint of Persecuted Christians

Prayer

It helps now and then to step back and take the long view.

The kingdom is not only beyond our efforts, it is even beyond our vision.

We accomplish in our lifetime only a tiny fraction of the magnificent enterprise that is God's work. Nothing we do is complete, which is another way of saying that the kingdom always lies beyond us.

No statement says all that could be said. No prayer fully expresses our faith. No confession brings perfection, no pastoral visit brings wholeness. No programme accomplishes the Church's mission. That is what we are about.

We plant the seeds that one day will grow. We water seeds already planted, knowing that they hold future promise. We lay foundations that will need further development. We provide yeast that produces effects far beyond our capabilities.

We cannot do everything, and there is a sense of liberation in realising that. This enables us to do something, and to do it very well. It may be incomplete, but it is a beginning, a step along the way, an opportunity for the Lord's grace to enter and do the rest.

We may never see the end results, but that is the difference between the master builder and the worker. We are the workers, not the master builders, ministers, not messiahs.

We are the prophets of a future not of our own.

Amen

Jack Petchey Nominations!

The Student Parliament met and read through the reasons each person was nominated (without knowing the name of the student) and selected the Jack Petchey winners for **January, February and March 2025**.

The 3 winners will each receive £300 to spend on a school community project of their choice!

The winners are...

January 2025 - Winner

Daryl G – Year 11

Daryl is the nicest person I have ever met. We aren't close friends or anything along those lines, but I think that he genuinely deserves this award. He is someone who spreads positivity and kindness to everyone he meets, and all his acts go unnoticed, so I think he should get some recognition for once. Even if someone is trying to aggravate him, he is such a calm and composed person. I can guarantee you that every single person that has ever met Daryl will have only good things to say about him.

I think that he is a great role model for people of all ages. He is such a helpful person, and doesn't fail to put a smile on my face. I think Daryl should win this award because in my opinion, I think he's the nicest person I've spoken to. I don't know him as well as other people do yet whenever we interact he's shown nothing but respect and I can wholeheartedly say that he would not do anything to hurt anybody. Not only are his grades high, he's a prefect who has worked super hard to get to where he is today.

His attitude both in a learning environment and outdoors do not differ and he shows nothing but kindness to the people around him, students and staff. He is very respectable and shows RUAH values in class. I am his classmate and friend, because of this, I have seen that he is very caring to others and is charismatic. He is a prefect and has aided in meetings regarding prom and contributing to money raising events also. Through this, I believe Daryl Gaid is a perfect candidate for the Jack Petchey Nomination. Daryl is an intellectual prefect who achieves exceptionally high grades. I am his friend and he shows his RUAH values towards other classmates in the school. For example, he has helped those who have been struggling in terms of classwork and gives them a helping hand.

In addition, he has won the rugby competition alongside his team which he has contributed back towards our school through his leadership skills. I believe that Daryl is a suitable candidate for the Jack Petchey award Nominations through his hard-working talents.

February 2025 - Winner

Evie H – Year 13

Always helps around in school, goes above and beyond. Part of several societies in school. Thus, is a role model for younger years. Has constantly contributed to the community through her work in the eco-committee, school council for 4 years and kindness and good attitude to all those around her, both staff and students.

She has also been a role model through her contribution in school plays where she has shown her positive attitude to younger students. I think she deserves this award as she is kind and is in charge of the eco-committee even with all of the tests she still finds time to help us in our projects. Evie is the head of the Eco committee and is at the forefront of everything they do. She had started the club again after it had withered in 2020, and it has since propelled to success with over 30 members. She always goes to the interschool meetings where she tends to give advice to other schools on how to be more sustainable. She always arranges the eco committee meetings within school and pushes to get our ideas forward, unafraid to stand up to unsustainable practises within school. So far, the notable successes of the Eco-Committee team are installing more water fountains around the school; prevention of posters being put up to reduce paper waste; have educative assemblies on recyclables and non-recyclables; use microfibre clothes instead of non-recyclable tissue to wipe whiteboards and many more.

Academically, she always tries her best and does exceptionally in Media studies, consistently achieving A's. Additionally, Evie always volunteers for school activities if they present themselves: in year 12 she would always offer help with parent's evenings/open days and world book days in any way she could; she had also helped in the school Christmas play Robin Hood where she was the assistant stage manager and was a huge help to helping the production run smoothly.

Outside of school, she helps her father run his local business on the weekend (with no pay), and later volunteers at nursing homes and provides joy wherever she is. She is a very funny, kind and great eco committee leader who deserves the award.

March 2025 - Winner

Lola B – Year 7

Lola is the kindest person that I have ever met. She is always able to help other people, even if she needs help herself. She is in multiple clubs such as Samba Club, Cello Lessons (as well as the Band), Choir, Debate Club and more.

She is amazing at giving back something that she borrowed or if someone bought her something from the tuck shop, the next day she would give you the money back. She is excellent at helping with charity and finally she is a spectacular role model to everyone.

I think that this person should win a Jack Petchey award because they consistently show Respect, Understanding, Affection and humour all of which are our school values.

She takes part in many academic clubs such as the debating society and art club, she always performs to her full ability and is friendly, kind and happy to everyone and she is a pleasure to be around.

Lola deserves this award as she is an active role model to everyone but mainly shows the teachings of Jesus in her everyday life whether she is happy or not so, she shines like the star she is!

More Winners to come!

Look out for the nominations being open again after Easter to put forward someone to win for April, May and June 2025!

I'm running the 2025 London marathon for the Teenage Cancer Trust.

Every day, seven young people aged 13-24 hear the words "you have cancer".

Cancer doesn't just devastate their health. It threatens to take away everything they care about – their identity, their independence, and their dreams.

Teenage Cancer Trust funds specialist nurses, youth support teams and hospital units within the NHS to provide the very best care and support during treatment and beyond, making sure cancer doesn't stop young people living their lives.

They're the only UK charity dedicated to meeting this vital need.

Please donate using the link or see **Mr Brett-Roberts** with any questions or to help out with fundraising events.

Watch out for fundraising activities!

Jubilee Catholic Young Writer Award Competition

This annual Award for Catholic school pupils of secondary school age was launched by The Keys, the Catholic Writers Guild of England and Wales in the 1990s and has been flourishing ever since. It is now sponsored by the [Catholic Union Charitable Trust](#).

The winners are invited to the Annual Meeting of the Catholic Union, held each Autumn in London, to receive their prizes from the President, Baroness Hollins.

Catholic Young Writer Award 2025

by Louisa Collier-Hamlin / 06/01/2025

Theme for the 2025 Jubilee Year Award: Jesus Christ, Son of God

Imagine a friend has said to you: "I think Jesus was a great man, and wonderful moral teacher, but I do not accept that he is God."

Write a response to this, explaining why we know Jesus is who He claimed to be: our Saviour and Redeemer, promised from the beginning.

To help you, here is a quotation from CS Lewis, **the great Christian writer**:

"A man who was merely a man and said the sort of things Jesus said wouldn't be a great moral teacher. He'd be either a lunatic on a level with a man who says he's a poached egg or else he'd be the devil of hell. You must make your choice. Either this man was, and is, the Son of God, or else a madman or something worse". (1952)

In your essay, you should make use of the Scriptures, especially the words of Christ Himself in the Gospels. You should also show evidence of having consulted the *Catechism of the Catholic Church* and some recent Papal teachings, eg from Pope St John Paul II, Pope Benedict XVI and Pope Francis.

Entries should be submitted directly to the website using the link; <https://catholicunion.org.uk/2025/01/catholic-young-writer-award-2025/>
